Merrill Memorial Library Summer Reading Treasure Hunt

Oceans of Possibilities, 2022

Captain Merrill has been blown overboard! All their belongings have been scattered up and down Main Street and a knock on the head has caused Cap to forget the name of their pirate ship.

Can you find the Captain's things, collect the letters, and unscramble the ten-letter name of their ship? Once you have the name, bring it to the library or email mml youth@yarmouthlibrary.org.

Happy Hunting!
