Merrill Film Society

Merrill Film Society will return to in person viewing in Lewis Hall now that our elevator is back in working order!

We are once again teaming-up with The Yarmouth History Center to bring you selections from Kinonik's collection of 16mm films. This series of films will run through April, with a different film featured each month!

Weds November 8th, 7pm,

Rear Window

Our collaboration with Yarmouth Historical Society continues with a screening of the Alfred Hitchcock classic *Rear Window*. Jimmy Stewart stars as a photographer recovering from a broken leg who witnesses something suspicious in his neighborhood. Housebound by his injury, he must try to solve the mystery through the rear window of his apartment. This movie is considered one of the best Hitchcock films which makes it one of the best movies ever made. Come join us!

Weds November 29th, 7pm,

Devdas

This month we will be watching *Devdas* which stars the world's biggest movie star, Shah Rukh Khan, as a wealthy young law grad who spirals into depression when his hopes of marrying a woman he has known since childhood are dashed by his family. The most expensive Indian film ever made up to that point, *Devdas* was hugely successful financially and ultimately won a slew of awards in India (over 60!). It currently holds a 90% critics approval rating on Rotten Tomatoes which only slightly beats out the 88% audience approval rating it holds on the same site. The scale of *Devdas*'s performance as a film is truly huge which matches its equally huge running time of nearly 3 hours. As such, we will be pausing the film for a 5 minute intermission.

Monday Matinee

November 27th, 11 am:

The Greatest Showman

Love music? Love movies? Love Hugh Jackman? If you answered "yes" to any of the above, join us for a matinee screening of *The Greatest Showman*, a vibrant film full of music and spectacle about P.T. Barnum and his rise to circus magnate. This film is pure entertainment! Popcorn will be served.
